

Elisha Katherine Callahand

Katz & Klein, Inc

EMPLOYEE SPOTLIGHT March 2009

Elisha was born September 2nd, 1979 in Sacramento. At the age of 24, she gave birth to her twin boys Jordan and Jaison. The most influential person in Elisha's life is her mother, her hero, who recently passed away.

Elisha has been with Katz & Klein since July 2, 2007 in the Customer Service department and has quickly become an important and loved part of our small team. Her favorite part of the job is, "I love the family atmosphere. Everyone bickers and argues but in the end we all back each other up. I also like that the accounts LOVE me." It's true; the accounts love her and are constantly getting complimented on her personality.

When she's not at work, you can find Elisha reading a book, listening to music, writing poetry, or engaged in her most favorite activity...playing with her kids. Elisha loves Mexican food, especially cheese enchiladas, Mountain Dew and Long Island Iced Teas. And her favorite color is yellow

If you asked Elisha of her goals she'd quickly answer "yes...to be the best mom I can possibly be" and to eventually buy a home and send her boys to college.

Elisha's motto that she likes to live by is to "treat others the way you want to be treated" and then laughed and said "Oh yah and it don't matter if you're black or white".

Elisha is a great employee, a good person, and a great friend to many. She has quickly become a loved part of the Katz & Klein family, and an integral part of our team.
