*Independently Changing the Future of Vision*

Since 1937, we at Katz & Klein, have taken our motto "Sincerity in Service" very seriously. Katz & Klein is proud to be the oldest Independent Optical Laboratory in California, and one of the largest experienced labs on the West Coast. Our purpose is to enhance the quality of vision for all.

Katz & Klein is committed to maintaining our state of the art, full service laboratory. Processing prescriptions faster, with precise accuracy, is our focus. The in-house Anti-Reflective coating lab, featuring KODAK CleAR™ Coating, provides the highest quality AR coating available.

Katz & Klein's complete prescription laboratory is backed by a team of 50 experienced optical technicians. Our Customer Service Representatives are the best in the west! They are knowledgeable, courteous, and able to answer your questions and inquiries promptly.

Our outside Sales Department is comprised of experienced Optical professionals who are certified speakers and presenters of the latest in lens technology. We are committed to the industry and support many professional schools and associations.

Katz & Klein is proud to partner with Signet Armorlite (SA) on several endeavors. SA's support and programs have truly helped us to become one of the top 25 independently owned laboratories. More importantly, SA's PracticePlus® program helps us to build strong relationships with our Independent Eyecare Professionals and their associations. We are the lab your practice can grow with.

Katz & Klein is also ecstatic about being named the winner of the 2008 Optical Laboratory Web Site of the Year contest. We received first place based on eyecare professionals' nominations and judges' scores which reflected: usefulness to the
