

**Albert "Bert" Benjamin
Carranza
Katz & Klein, Inc
EMPLOYEE SPOTLIGHT
November 2008**

Bert has been at Katz and Klein for ten months and has proved to be a very valuable member of our family. Not only is Bert a Mail Desk Master, he also has a one of a kind personality; when he's around you can't help but be in a good mood.

Bert was born September 9, 1968 in Torrance California. He lived in the Orange County and Santa Ana area until he was 12 when he moved to Sacramento with his mother, younger sister, grandmother, and their family pets. Bert has lived here ever since except for time spent in Kansas to work on some films.

Albert is an extremely approachable guy that talk is not only easy but fun as well...this guy just exudes "good vibes". How can you not like a guy that answers the question "what is your favorite part of working at Katz and Klein?" with "The people!!!...and helping in a process to provide a needed service to others"?

Bert's favorite food is Mexican, Seafood, Pizza, Cheeseburgers, and plenty of Tabasco..."all of the stuff you're not supposed to love". His favorite drinks are eggnog with brandy, hot water honey with brandy, Irish Car Bombs, Chelada (Clamato and beer), lemonade, and the very thing that gives this man life....COFFEE!!

Bert's favorite colors are Green, Black, Orange, and Red. He loves to make "good music with good people" (he cites Joe Strummer as his "spiritual father"), he also enjoys reading, writing, watching good movies, and having good conversation.

Albert's dream vacation would be to see the world through touring with his band. One of his many goals in life is to become more financially responsible which would allow him to be in a

position to take his band on the road and to one day complete some of the movie scripts he has started. Eventually Bert would like to "meet a nice girl and settle down". His ongoing goal is to "live his life in a way that he has a positive effect on at least one person a day".

If you asked Albert what his "motto" or what he lives by he'd tell you "without people you're nothing. Think of others. If we are to have any kind of future, it has to come from all aspects of everything, not just one way.....down the middle of the road." After talking to this guy you'll like him even more. A lot of people at Katz & Klein appreciate his hard work and positive attitude. Thank you Bert.
