

**Rhonda Elaine Ybarra**  
*Katz & Klein, Inc*  
**EMPLOYEE SPOTLIGHT**  
**January 2009**

Rhonda was born in Southern California on November 30, 1959 and moved to Woodland when she was about 10 days old. She moved to Sacramento when she was 21 and has lived here ever since with the exception of some brief time in Washington State. If you asked how many brothers and sisters she has and she'd tell you "let's just go with eight".

On December 22, 2008 Rhonda celebrated her 20th anniversary of service with Katz & Klein. Her favorite part about working here is "I really like the people, it's a real family environment, and Steve LaDuke is my hero".

Rhonda loves food especially when Manuel, her sweetheart of eleven years, cooks at home. If it isn't Manuel's cooking, she enjoys ribs, spaghetti, pizza, and Chinese food. Her favorite drinks are either tequila with salt and lime or Bud Light with lime. We guess she likes the limes?

Rhonda's favorite colors are black and red. When not at work her hobbies include complaining, watching soap operas, playing with her eight grandkids, drinking, and she absolutely loves camping.

When talking with Rhonda you'll find she is very wise and insightful. Her dream vacation would be to travel the country in an RV and then travel the world, starting in Ireland. Her goals are to save enough money to retire and travel the world but before that she plans to take over Ken Brands job.

Rhonda is one of our favorite people here at Katz and Klein and we look forward to seeing her every day. Our Customer Service Department wouldn't be as good as it is without her. She has become an invaluable asset to the company and a great friend as well. Thank you Rhonda, for being you.
