

# Stephanie Paige Shope

*Katz & Klein, Inc*

## EMPLOYEE SPOTLIGHT May 2009

Stephanie was born January 25, 1975 in Sacramento. When she was eight her family moved to Georgia and returned to Sacramento when she was twelve. Aside from a brief time in Reno she has lived here ever since. She is the oldest of five siblings with two brothers and two sisters. Stephanie has two sons ages 17 and a 1 ½ year old.

Stephanie has been with Katz & Klein for eleven years and works in the Finish Bench Department. Her favorite part of working at Katz & Klein is the people she works with and the very comfortable working environment. She also enjoys the hour long commute every day, but think she is kidding us.

Stephanie's favorite food is anything Italian. Her favorite meal used to be lobster, but she has unfortunately developed an allergy to it. When she's thirsty, she likes tequila sunrise, tequila shots, and coffee. We hope she's not mixing those. Her favorite color is any shade of orange.

When not at work Stephanie enjoys writing poetry, hiking, camping, going to garage sales, and reading horror stories. Her dream vacation would be to travel anywhere in Australia. A long term goal is to turn one of her poems into a children's book. Her favorite saying is "Is it Friday yet?"

Stephanie is a valuable asset to the Katz & Klein family and we all respect her as a co-worker and enjoy her as a friend. Work would not be the same without her telling one of her jokes or goofing around with at lunch. Thank you Stephanie for all that you do.
